Next steps

Of course, this brief overview can't answer all your questions. For the complete picture and prevailing terms, you should carefully review your offer/contract of employment and related documents.

If you are accepting this offer, please consider the following:

- The steps to accept the offer are outlined in your candidate homepage.
- This offer is subject to the outcome of pre-employment checks.
- Some components of your compensation and benefits may be statutory in your home country, and some benefits may be discretionary. This means that those benefits are subject to change over time.
- If your offer requires additional information or signatures, please provide them where indicated.

We really hope you'll accept your offer, it's valid until 28 March 2025.

If you have any questions at all on the offer or need assistance in completing any documents, your recruiter is here to help. Please don't hesitate to contact Maya Andiani [C] on maya.andiani@accenture.com.

We look forward to doing some amazing work together here at Accenture.

Best Wishes,

Rosita Sulistyono
Country Human Resource Lead
